The University of Richmond’s Parking and Transportation Office strives to provide adequate, safe, convenient, and accessible parking for faculty, staff, students, and visitors to the University. To accomplish this, Parking Services will:

- Frequently assess the parking needs of the campus community.
- Create effective rules and regulations.
- Collaborate with other departments to better serve the campus community.
- Provide 24-hour police patrols of all parking lots.

GENERAL INFORMATION

- The regulations are applicable to all faculty, staff, students, and visitors to the University.
- The University of Richmond accepts no responsibility for a vehicle or its contents while parked or operated on University grounds.
- Charges for registration fees and citations are transferred to the Bursar’s Office for payment. Payments can be made in person, by mail, or online.
- Citations issued to car rental companies and businesses will be billed.
- Cars, motorcycles, golf carts, scooter and mopeds parked on the University of Richmond campus must be properly licensed, inspected, insured and registered with Parking Services.
- Failure to register a vehicle parked on campus may result in parking citations and possible towing fees.
- All persons operating a vehicle on campus must be properly licensed.
- Family vehicles are the responsibility of the faculty/staff member or student when on campus. Make sure to obtain a temporary or visitor pass for all vehicles registered to your family when they are on campus.
- Faculty, staff, and students are considered University community members at all times. Therefore, they are not considered visitors when on campus.
- Parking Services reserves the right to remove a vehicle from campus or revoke parking privileges for excessive citations.
- Unlicensed or inoperable vehicles cannot be housed on university property even if the vehicle displays a current parking permit.

VEHICLE REGISTRATION

- All vehicles should be registered in August of each academic year or within 24 hours after arriving on campus.
- All student permits expire August 1st of the next academic year.
- You may register your vehicle in person or online.
- Vehicles are not considered registered until the permit is properly affixed to the left side of the vehicle’s rear bumper or to the lower left side of the rear window. DO NOT USE TAPE.
Temporary parking passes should be displayed by hanging the pass from the vehicle’s rear view mirror.
- Permits for motorcycles, scooters or mopeds should be affixed where the permit can be easily seen.
- The registration fee will be charged to the student’s tuition account through the Bursar’s Office.
- A person may register those vehicles for which they are the owner or primary driver.
- Students may not register a vehicle owned or primarily operated by another student or another student’s family.
- You may register as many vehicles as will be operated on campus during the school year, though only one vehicle may be on campus at a time.
- Lost or damaged permits will be replaced without charge.
- Parking and Transportation reserves the right to remove a vehicle from campus after it has received three or more unpaid citations for an unregistered vehicle or for blatant disrespect for the Parking Rules and Regulations.
